Note: A lot of our hiring decisions will be based off your response.

Working for Jubie’s will be a lot of fun but also a LOT of hard work! Customers can be demanding, team members may feel pressured during busy shifts, cleaning needs to be done, etc. Not to mention that you will consistently be on your feet for 3+ hours each shift. All of these duties will need to be completed with a big Jubie’s smile on your face 😊. But, as an employee of a new company, you will also be given rare opportunities for job growth, personal development, and higher responsibility. **Why do you think you would enjoy working at Jubie’s Creamery? What qualities do you have that you think will help you thrive in this type of work environment?** Please fully answer both questions on the lines provided.

Note: A lot of our hiring decisions will be based off your response.

Additional Items to Consider:

Conduct: Our team members are incredibly important to us. They are the face of Jubie's Creamery to all of our amazing customers. We expect each team member to treat EVERYONE with professionalism and respect. This includes but is not limited to customers, fellow team members, team leads, and managers. While we want everyone to have fun at work, Jubie's Creamery will not tolerate horseplay, negative attitudes, harassment or bullying of any kind. Failing to comply to our team member policies could result in consequences and ultimately termination.

Scheduling: Jubie's Creamery will put forth its best efforts to be as flexible as possible when scheduling. While we realize that school responsibilities should come first, the reality of the business is that most of our customer traffic occurs in the evenings and on weekends—especially during weekend nights and summer holidays. It is vital for Jubie's team members to offer exceptional customer service during all business hours, but these times are especially important.

If team members are flexible in understanding the cancellation of shifts during cold or rainy days, Jubie's creamery will remain as flexible as possible around team member shift preferences. Please keep in mind:

1. You are **REQUIRED** to be available to work at least 2 shifts during the week (Mon – Thurs) and 2 shifts on the weekends (Fri – Sun).
2. You must be willing and able to commit to the hours that you indicated you are willing to work on this application.
